Catalog 2025

## Dear ZippyPaws Family,

They say inspiration strikes in the morning, but for me, it hit in my backyard. My dog Pepper had gotten a hold of one of my toddlers' big rubber balls, puncturing a hole and deflating it almost as quickly as my patience for the little rugrats. As I finally accepted the fact that another kids' toy has been commandeered by Pepper, I realized that she might have come up with the next ZippyPaws toy idea. "What if we made a ball that looks full, but can be half-deflated for a dog to carry it easily?" Of course the AirTuff material was perfect for this. Made of a lightweight expandable material (think running shoes foam soles), the AirTuff soccer ball is engineered to be made at an optimal thickness to withstand hours of play but bounce back to its normal shape. It's hands down one of my favorite toys - and it pairs perfectly with our ongoing partnership with the Los Angeles Football Club (LAFC).

This year, we're rolling out two new AirTuff balls alongside an exciting lineup: cute Snuffler toys, an upgraded Burrows collection, vibrant ZippyClaws cat toys, sustainable ecoZippy designs, and adorable Groot-inspired toys from our latest Marvel collaboration. There's something for every dog and cat!

In 2024 we launched in pOpshelf and increased our reach in grocery chains and convenience stores. We've also further grew our paw print into Mexico, Central America, and even India. And we're only just getting started.

Community (both local and national) has always been at our core, and we're proud of the impact we've made together. Since 2017, we've donated over a half a million dollars to our incredible partners - whose work range from helping retired military dogs to training therapy dogs for autistic children. Most recently we donated over \$10,000 to California Wildfire relief. But here's the fun part: we're daring to dream even bigger for 2025. My team is keeping me on a tight leash about spilling too much, but keep your eyes peeled for a major announcement later this year. We'll make sure our loyal customers hear all about it first!

Thank you again for being part of the ZippyPaws family. Your feedback, your orders, and your belief in ZippyPaws fuel our passion to keep innovating. Here's to another year filled with wagging tails and shared success!
